Thank you

As we reflect on the continued growth and impact of The Warrior in Her, we are filled with deep gratitude for the unwavering support and encouragement of our community. Your belief in our mission fuels this work—and it is because of partners like you that women are finding hope, strength, and advocacy when they need it most.

Our Mission

The Warrior in Her is dedicated to empowering women facing chronic mental and physical health challenges through advocacy, support, and essential resources.

Our Vision

We strive to uplift and inspire every woman to reclaim her strength, voice, and well-being.

Because of your generosity and shared commitment to women's health and empowerment, The Warrior in Her has reached meaningful milestones since our founding. Together, we have:

- Awarded over \$15,000 in grants, community sponsorships, and scholarships to women in need
- Hosted 100+ free workshops and support events focused on wellness, education, and self-advocacy
- Distributed an average of 100 care packages each year to women navigating health challenges
- Served 300+ women locally across Western Pennsylvania and Eastern Ohio
- Built a growing online community of more than 1,000 women nationwide through our podcast, programs, and social platforms

Every dollar raised directly supports women living with chronic health conditions—providing access to resources, education, and community that help them not just survive, but thrive. Your support is more than a contribution; it is an investment in belief, resilience, and long-term change.

As we move forward into this next chapter—including the expansion of our Strength in Wellness Initiative and continued community programming—we remain steadfast in our mission to meet women where they are and walk beside them toward healing and empowerment.

None of this would be possible without you. Thank you for being an essential part of The Warrior in Her family and for standing with us as we continue this important work.

With heartfelt appreciation,

Reganne O'Brien, MPH
